

Ryan Giesecke owns and operates G-Bar Naturals, an urban homestead project located in East Dallas. From there he offers homegrown products and learning opportunities, as well as performing bee-friendly removals of honey bees and bumble bees as “Honey Bee Relocation Services”. Ryan was in the North Texas Master Naturalist Class of 2018. He is president of Texas Association of Professional Bee Removers, past president of Trinity Valley Beekeepers Association in Dallas & Metro Beekeepers Association in Fort Worth, and a Texas Master Beekeeper.
